

KABELWARTEL

# KVR M40-MGM/sw

## KVR M40-MGM/sw

### Kabelwartel

Artikelnummer: 22704001

Kabelwartel met trekontlasting, polyamide, M<sub>2</sub> x 1,5 mm, zwart, met contraoer

IP68

## Technische gegevens

### Materiaal

|           |          |
|-----------|----------|
| Dichting: | Neopreen |
|-----------|----------|

### Andere eigenschappen

|                    |                                          |
|--------------------|------------------------------------------|
| Beschermingsgraad: | IP68 - conform EN 60529 / DIN VDE 0470-1 |
|--------------------|------------------------------------------|

|                |    |
|----------------|----|
| met contraoer: | Ja |
|----------------|----|

|                     |    |
|---------------------|----|
| Zware metalen-vrij: | Ja |
|---------------------|----|

|           |    |
|-----------|----|
| PVC-vrij: | Ja |
|-----------|----|

|                |    |
|----------------|----|
| Siliconenvrij: | Ja |
|----------------|----|

|                            |        |
|----------------------------|--------|
| Omgevingstemp. (minimaal): | -25 °C |
|----------------------------|--------|

|                            |        |
|----------------------------|--------|
| Omgevingstemp. (maximaal): | 100 °C |
|----------------------------|--------|

|        |       |
|--------|-------|
| kleur: | zwart |
|--------|-------|

|               |           |
|---------------|-----------|
| schroefdraad: | M40 x 1,5 |
|---------------|-----------|

|                        |    |
|------------------------|----|
| schroefdraadlengte/mm: | 11 |
|------------------------|----|

|              |    |
|--------------|----|
| Sleutelmaat: | 46 |
|--------------|----|
