EFFICIENT. ELECTRIC. HEATING.

PRODUCT DATASHEET

Type: LAVA2-GLAS-500-DYL
Art. Nr.: 39665

0 912006 139129

Short description
infrared heating panel with customer motif, glass, 130x63cm, 500W

Product Description
The LAVA 2.0 DYL infrared heating panel offers the possibility of infrared heating panel customization. No matter whether a vacation photo or company logo, the customer pattern is applied. And here, you don't even notice that the pattern devices are in fact a contemporary infrared heating panel. The LAVA 2.0 DYL is suitable for wall mounting and can be mounted vertically or horizontally depending on the structure. The 6 mm safety glass and 2 temperature limiters ensure maximum safety at all times. The innovative technology makes the glass a very good radiation emitter. In combination with the even heat distribution on the surface, the optimally insulated back surface guarantees a high radiation efficiency and thus maximum infrared heat radiation to the front into the room. The frame-less design is modern. There are 4 options to choose from. The practical Plug & Play box at the back of all LAVA 2.0 models allows easy installation of a control, whether directly on the unit, by radio or by means of a wired controller. On/off switch, surface temperature: max. 70 °C, protection rating: IP X4, surfaces: 6 mm ESG safety glass, plug connection line: 1 m, TÜV, CE marking, 230 V.

ETIM characteristics

Type of IR radiation	IR-C	**Power consumption**	500 Watt
Mounting method	Surface mounting	**Supply voltage**	230|230 Volt
Mounting direction	Horizontal/vertical	**Frequency supply voltage**	50|50 Hertz
Degree of protection (IP)	IPX4	**Max. surface temperature**	70 Degrees celsius
Colour	Multi-coloured	**Height**	630 Millimetre
With imprint	✔	**Width**	1300 Millimetre
With room temperature controller	✖	**Depth**	61 Millimetre
With mounting material	✔	**RAL-number**	0
With framework	✖		
Material framework	Other		
Colour framework	Other		
Surface treatment	Other		
Surface structure front-side panel	Smooth		
With lighting cove	✖		
Dimmable	✖		
Light outlet	Direct
