ETHERMA°
EFFICIENT. ELECTRIC. HEATING.

PRODUCT DATASHEET

Type: SN-500-eco
Art. Nr.: 40513

0 912006 139346

Short description
Wall radiator with thermostat, white, 34x44cm, 500W, 230V

Product Description
Radiator Serena eco is an electric direct heater for fast heating of living spaces such as basements, toilets, bedrooms, bathrooms and hobby rooms. The design is also suitable for bathrooms, as the devices are all splash-proof. Due to the specially shaped air outlet grille, the heated air is evenly released, creating natural room convection. The electronic thermostat provides accurate room temperature measurement and has a setting of 4 operating modes: comfort, lower temp., frost protection and off. The thermostat can be adjusted to individual needs by means of a weekly program. Likewise, the temperature drop detection optimizes the use of the heater, which thus complies with the LOT 20 eco-design directive. Voltage: 230 V, power: 500-2000 W, connection cable: 0.9 m, 2-pole control cable, control range: 7-27 °C, protection rating: IP 24, protection rating: II, colour: traffic white RAL9016, CE marking.

ETIM characteristics

Model	Other	**Heating capacity**	500 Watt
Mounting method	Wall model	**Supply voltage**	230|230 Volt
Material front	Steel	**Frequency supply voltage**	50|50 Hertz
Grid model	Fins	**Length connection cord**	0.9 Metre
Material heating element	Steel	**Number of switch positions**	4
Air exhaust	Front side	**Temperature adjustment**	7|27 Degrees celsius
With fan	✖	**Differential gap, temperature**	0.1 Degrees celsius
Electrical connection	Other	**Width**	340 Millimetre
Position control panel	Top	**Height**	440 Millimetre
Suitable for wireless remote control	✖	**Depth**	105 Millimetre
With remote control	✖	**Weight**	3.7 Kilogram
Power control	Electronic		
Colour	White		
Degree of protection (IP)	IP24		
Protection class	II		
With overheating protection	✔		
Programmable	✔		
Frost protection circuit	✔		
Digital indication	✔		
With presence indicator	✖		
Suitable for bus connection	✖		
With time switch clock	✔		
Adaptive (self-learning)	✔		
Consumption indication	✖		
Open window detection	✔

PRODUCT DATASHEET

Compatible with Apple HomeKit	✖
Compatible with Google Assistant	✖
Operation by app	✖
Compatible with Amazon Alexa	✖
IFTTT support available	✖
Number of supported pilot wire commands	None
