

**Class 5**  
**1000 – 1250 – 1600 ccm motors with shoe brake**  
**(61 – 76.3 – 97.6 cu.in)**

| Motor part number | Displacement |       |                           |
|-------------------|--------------|-------|---------------------------|
|                   | ccm          | cu.in |                           |
| 405 100 1120      | 1000         | 61    | Hydraulic freewheeling    |
| 405 125 1120      | 1250         | 76.3  |                           |
| 405 160 1120      | 1600         | 97.6  |                           |
| 405 100 2120      | 1000         | 61    | Freewheeling with springs |
| 405 125 2120      | 1250         | 76.3  |                           |
| 405 160 2120      | 1600         | 97.6  |                           |

- A —pressure conn. 1 in SAE-flange (R 3/4)
- B —pressure conn. 1 in SAE-flange (R 3/4)
- C —drain conn. 1/2 in SAE-flange (R 3/8)
- D —air bleed screw
